

Grant Scott ACII, Chartered Insurance Broker

CII Vice President

Grant started his general insurance career in October 1979 with Eagle Star in an Inspectors role. After a few years he was then enticed to move to a small regional broker in Norwich as an Account Executive.

The big lights of London called, and he was then given an opportunity to work for a small insurer (part of the CU) as City Inspector, responsible for many of the large national brokers. As Hibernian expanded, he moved to Ipswich as Local Manager to open and manage the office.

Since those days, Grant has held many senior roles within the Insurance and Broking areas.

Grant has been an Associate of the Chartered Insurance Institute and a Chartered Insurance Broker since 1993. He has served on several local institute councils and was President at Leicester. In 2014 he was honoured to receive an Exceptional Service Award in recognition of his services to both the local institute and to the CII.

He was Co-chair of the CII Chartered Centenary Campaign in 2011/2012. He was elected to the CII's National Representative Council in July 2011 and then re-elected in 2014 representing the East Midlands constituency. Grant was Chair of the LI Grants Working Party which was set up in April 2013. In September 2014, Grant was appointed CII Vice President of Local Institutes.

Grant is often seen and quoted both in the press and at industry events, promoting Chartered Status. He is also a member of the Worshipful Company of Insurers and Freeman of the City of London.
