Please refer to pages 18-41 of the [CII Qualification Brochure](#) for the precise details of the Completion Requirements for insurance qualifications. Please note that at least 90 of the 120 Diploma in Insurance credits must be from Diploma level units; at least 205 of the 290 Advanced Diploma credits must be from Diploma units or above, with at least 150 from Advanced Diploma units). Continued membership is required in order for the membership designations to be used.

## NOTES

**PRICES**  
These prices apply for all countries in the Caribbean and Americas except for Bolivia and Honduras.

**PRIOR LEARNING**  
Before studying with us, we recommend candidates check whether previous qualifications from other professional bodies, institutes or universities count towards a CII qualification. It could save repeated learning and reduce qualification costs. To find out if you're eligible, details of the fee payable and to make an application, [visit here](#)

## FURTHER INFORMATION

For full details on each unit, please refer to the [CII Qualification Brochure](#).
