

# Motor insurance

## M94: 2022–23 edition

### Web update 1: 21 July 2022

Please note the following update to your copy of the **M94** study text:

#### Chapter 1, section A6, page 1/4

The final sentence:

As we shall see later, in most cases such liability would be met by the motor, rather than employers' liability insurer.

Should be:

As we shall see later, in most cases such liability would be met by the employee's motor insurer, rather than the employer's liability insurer.
