

Chartered
Insurance
Institute
Standards. Professionalism. Trust.

International membership

Global recognition to help you succeed

Experience the power of professional standards

Together, we drive confidence in the power of professional standards.

Membership of the Chartered Insurance Institute aligns you with the highest professional standards and demonstrates your ongoing commitment to personal development. As part of a global community of like-minded professionals, you will continue to develop through the sharing of knowledge and good practice.

Standards

Be part of a professional body that's recognised by employers, regulators and your professional peers.

The Chartered Insurance Institute plays a pivotal role, setting standards for competence and influencing the future direction of the profession.

Professionals

As the leading professional body for insurance and financial planning professionals, our members are highly respected and recognised for their knowledge and expertise.

Membership supports your professional development, enhances your career potential and integrates you into a network of like-minded professionals.

Trust

Public trust is at the heart of all that we do. Our Royal Charter ensures that we never lose sight of this mission.

We help unite the profession, increasing the credibility of the sector with government, policymakers, regulators and consumers.

**Your journey
our
commitment**

We are here to support you and your career development, whether you are a new entrant to the sector or a professional looking to keep ahead of the curve.

Designations

Promote your expertise with pride using internationally recognised designations upon completion of qualifications. Demonstrate your level of knowledge with employers, clients and professional peers, ensuring that your commitment to professional development is clear for all to see. Designations may only be used by members.

cii.co.uk/designations

Member Discounts

Members enjoy significant discounts (typically over 20%) across a range of learning and development services including examinations, study materials and accreditation of prior learning.

You may also be able to claim tax relief from your membership.

cii.co.uk/membership

Code of Ethics

By committing to our Code of Ethics, you help to build consumer trust and ensure that high standards of professionalism are maintained.

Complying with the Code through integrity and fair dealing increases the credibility of the profession with the government, policymakers and the public and is an integral part of your membership with a professional body.

Progress through professional development

Continuing Professional Development (CPD) keeps your knowledge and expertise relevant, helping you to succeed and progress in a competitive market.

We believe that learning and professional growth should never stop. That's why our members commit to ongoing learning and development, helping to ensure that their knowledge remains up-to-date and relevant. Our CPD Scheme provides high quality content within a practical framework and caters for all members, irrespective of their specialism, discipline or geographical location.

CPD Content Online

Members enjoy access to a wealth of online resources to make sure that professional development is at the forefront of your membership.

From regulatory updates, thought leadership articles and policy research, to webinars, video presentations and podcasts; you have access to everything you need to stay ahead of the curve of an ever-evolving professional landscape.

cii.co.uk/cpd

The Journal

The leading voice of your profession, providing you with expert advice and analysis. The Journal is the award-winning member magazine that is sent to all members worldwide and can also be accessed online.

An invaluable source of learning for CPD activity, stay informed with content written by some of the most senior and experienced stakeholders within the profession.

Broker IQ

Accredited by the Chartered Insurance Institute, Broker IQ provides high quality CPD content through a range of videos, webinars and articles.

With a focus on technological and regulatory developments within the profession, Broker IQ will help you maintain an advantage around the key trends impacting on your sector.

cii.co.uk/brokerIQ

Technical Services

Our research team is on-hand to help you access our online library of e-books, articles, reports and resources that covers all of your research and learning requirements.

In addition to content that can be accessed via our online library, members also have access to international research databases such as Axco Insight Compliance to ensure you have every aspect of your CPD requirements covered.

cii.co.uk/knowledge

The Chartered Insurance Institute is a professional body dedicated to building public trust in the insurance and financial planning professions.

Our 125,000 members commit to high professional standards and continuing professional development. We work with businesses to develop bespoke, company-wide solutions that ensure competitive advantage by enhancing employees' technical and professional competence.

Success in CII qualifications is internationally recognised as evidence of knowledge and technical expertise. Our members are able to drive personal development and maintain their professional standing by adhering to our Code of Ethics and accessing a range of high quality learning services.
